**2. REGATTA MEALS:**

Meal bookings will be available for you to purchase on the website on Saturday 14<sup>th</sup> November. We have been fortunate to secure the help of local service and sporting clubs in Port Vincent who provide meals for our event. [Tickets for meals will be available for sale online till Monday 23<sup>rd</sup> January 2023.](#) The web page now will show that everything is sold out. This is just to allow us to get the system all set up.

The local Coast Guard will present the following

- a. The welcome [Friday night BBQ](#) (limited to 150 tickets). This will be in the regatta marquee.
- b. The [Saturday hot breakfast](#) (limited to 150 tickets). This will be in the regatta marquee.
- c. The [Sunday hot breakfast](#) (limited to 150 tickets). This will be in the regatta marquee.

As we all appreciate the outstanding volunteer work our local Coast Guards groups do in South Australia, we have invited the Port Vincent Coast Guard to conduct a raffle during the Friday evening meal so we can further support their ongoing work of providing safe boating around Port Vincent. We encourage you to support their efforts by purchasing tickets.

The [Port Vincent Sailing club](#) has once again invited us to their very popular Saturday night meal at their club on the beach. [Tickets for this meal](#) can be purchased through the KOG web site but tickets sales will be managed by the Port Vincent Sailing club. Port Vincent will have a ticket limit of 100 on this meal so when it is announced, so get in early.

Tickets for the presentation dinner at the Port Vincent Bowling Club are also limited to 150. Tickets for this popular event will also go on sale on Saturday 14<sup>th</sup> November.

**3. Yacht Insurance and Cat 5 and Cat 6 forms:**

You do not have to upload these files into TopYacht if you are a member of the CYCSA, the Port Adelaide Sailing Club or the RSAYS. We will contact these three clubs directly to confirm you are currently compliant for racing in the KOG. Yachts nominating from other clubs will be required to upload your Cat5/6 form and insurance details into TopYacht so the documents can be validated by our race office.

10. **MARINA ENTRY DEPTHS:**

Greg Patten (G-Wizz) has provided the KoG regatta committee with an excellent explanation about the tides and the Port Vincent Marina entry for the KoG regatta

11. **Add Me:**

Thank you skippers for telling your crew members about the "Add Me" page on our regatta web site. We have had a considerable response. This feature allows crew members and your yacht supporters to receive the regular KoG email newsletters in their own email in boxes. If they get the newsletters directly it takes the pressure of you to inform crew and supporters of meal, regatta clothing and other information they might be interested in. All they need to do is go to the [web page "Add Me"](#) and they will be added to the list.

Unfortunately due to a computer malfunction I have lost six of the recent "Add me" people. Can you check if your crew is getting these newsletters. Apologies to the six who I may have lost. Please try again.
