## Welcome from the 2024 KOG Committee:

Hello and welcome to the 2024 "King of the Gulf" sailing regatta.

On behalf of the King of the Gulf committee and the Royal South Australian Yacht Squadron, I would like to welcome all competitors and their friends to the tenth running of the King of the Gulf sailing regatta. The event has rapidly gained a reputation for not only having great sailing in flat waters, but also great camaraderie the regatta marquee. This regatta is about great competitive racing, fun times, and terrific food.

Our regatta has some great sponsors with the principle 2024 regatta sponsor being Dockside – Port Vincent. Our other valuable sponsors are North Haven Marine, Greg Patten (Wireless Communications) for the team's event, and our day sponsors Scott Newman (the 35 South Marina team) and the Multihull Yacht Association of South Australia.

Without our sponsors support the regatta wouldn't happen, so thank you to all our sponsors for your contributions. A big thank you also to our race management crew under Jock Ross's control, the Port Vincent Sailing Club and to all our regatta volunteers.

We will race in some excellent flat sailing waters, and we hope we get some favourable weather. We have five divisions: cruising, monohull racing division 1 and 2, and multihull racing. The multihulls and trailer sailers are also competing for their 2024 SA State Championships as well as the KOG crown. We warmly welcome our interstate yachts from Queensland, New South Wales and Darwin. We hope you enjoy our hospitality and racing and come back again.

The North Haven Marine/Wireless Communications team's trophy gains more profile each year with both monohull and multihull yachts assigned into teams by lot. Think of it as along the lines of a United Nations mini-Admiral's Cup but with a \$1,000 voucher up for grabs for the winning team.

We are looking forward to catching up with old friends as well as making many new friends over the duration of the regatta. On behalf of all of us involved in organising the event, we hope that you have a great time.

To the new yachts joining us; we will look after you so well you will have to come back again 😊.

David Eldridge  
Secretary  
King of the Gulf committee
